One Night

**

Things that I'll never feel

A kiss that I'll never seal

To see you standing from afar

Hopes sunken like the fallen stars

Maybe you'll whisper my name

Or go about like all was the same

Try to stare past those cold blue eyes

Giving up after many tries

All the walls you putt around

Not letting a out one sound

Then a girl to come

Making you even have some fun

Stealing what was never mine

It was only time
What was it I did feel
Was it of lust or simple desires
Something that seems to never tire
Like an everlasting fire
So there with me you'll never be
But I let you be free

End
file.
